“In 2021 the Lord’s outpouring on Snohomish has been our miracle, giving birth to experience we have at the Pursuit! What a miracle, bringing people together across this region in a town but of 10k people, with up to 25% now showing up for congregation! Something significant is happening here”

"The Holy Spirit is not intimidated by the Northwest, and neither are we. If he can do it here, he can do it ANYWHERE" (8:04)

If God can do it in Snohomish, He can do it in Seattle too. (8:08)

“Don’t tell me God can’t reach the City! Don’t tell me that Christianity can’t impact culture, don’t tell me that millennials this, or creatives then that – Come join us for three historic nights, at the Philadelphia Church” (8:50)

“Seattle needs this & we are indebted to the harvest field, owing this with an encounter to Jesus. More than a safe awakening or comfortable church service with music no we owe -“

This region a moment of revival and re-awakening (10:28)

“And a god that shows up in power this rattles, as a region Seattle is ready” (10:55)

Then He said to His disciples “The harvest is plentiful, but the workers are few. Therefore, plead with the Lord of the harvest to send out workers into His harvest.”

[Matt 9:37-38]

The Pursuit is here, its time.
